

The Classic Guaranty Package

We've combined our most popular basics with a few 'must have' options to save you time and money everyday. Choose one or two or combine them all for a banking package that's simply 'Classic'!

Classic Guaranty Checking Account

Our most popular fee-free checking account, with no monthly maintenance fee, unlimited checking writing, no per check charge, no minimum balance requirements, and just \$10 to open!

Statement Savings Account

Saving made simple! \$10 minimum balance to open, \$100 minimum daily balance to earn interest, \$1.00 monthly maintenance fee if average daily balance falls below \$100.00, and a quarterly statement, unless electronic transactions occur or the account is combined with a checking account.

Combined Monthly Statements

Receive a monthly statement with details of your checking and savings account transactions all in one! Checking and Statement Savings account transactions will be provided in one, easy-to-read document, reducing the amount of paperwork you have to keep and making record-keeping simpler than ever!

Automatic Transfer Service (ATS)

In the event you overdraw your checking account, ATS saves you time and money by using the funds in your own savings account to cover the balance. Transfers are made in \$10 increments for a nominal transfer fee.

Visa® Check Card

The only card you need to make purchases and get cash at millions of locations around the world, complete with *free* security features like Verified by Visa and Fraud Risk Identification Service to help protect you from fraud. Ask for more details.

Guaranty On Line Delivery (GOLD) w/Bill Payment

Access to your account information is just a click away, 24-hours a day, and it's *free* with GOLD. Access and interact with all your accounts from your home or office computer, any time of the day or night, 7 days a week. It's fast and easy and gives you greater freedom than ever in how and when you do your banking.
