

Quicken Conversion Instructions

As your financial institution completes its system upgrade, you will need to modify your Quicken settings to ensure that your data connectivity transfers smoothly to the new system. This document contains instructions for both Windows and Mac, and all three connectivity types (Express Web Connect or Web Connect).

Express Web Connect will not be available until 5 business days after the 2nd Action Date, so please utilize another connectivity type if you need transaction updates during this downtime. There is no delay for Web Connect.

Important: The current GOLD online banking service will be in view-only Thursday, October 19, 2023 beginning at 5:00PM through Sunday, October 22, 2023. eCorp will be disabled on Thursday, October 19, 2023 at 5:00PM.
